Corporate Philosophy

The Nitto Group’s Corporate Philosophy is comprised of three elements: our corporate Mission, the Vision which aligns our way of thinking in attaining our Mission, and the Nitto Way, which includes our Values, Attitudes and Mindset, and Code of Conduct.

Mission
Contribute to customers’ value creation with innovative ideas

We at Nitto Group hope to retain an attitude of tenaciously pursuing products, systems, and ideas that customers will find valuable. Our Mission is to deliver safety, prosperity, comfort, and affluence not only to customers whom we come in contact with directly but also to every stakeholder.

Vision
Creating Wonders

In order to achieve our Mission to “Contribute to customers’ value creation with innovative ideas” as one team, all Nitto employees around the world must share the same vision, or outlook. This shared vision has been dubbed “Creating Wonders.” Each and every employee will challenge themselves to cause feelings of wonder and inspiration around the world; in other words, we will endeavor to create wonders in our everyday work. In doing so, power will be generated that can change the world in many different domains.
